Good morning!

Congratulations to you all on your great success! Thank you all for making Chicago better!

Thank you as well for your great presentation yesterday. We love Chicago. Jay (American-born kid who ran for non-profits; enclosed please find a photo) walks 40 minutes, one way, to school, every school day. If we can be of assistance to you or your team, please feel free to let us know.

When you have a chance, could you please let me know if you will have trees planted on the South side of LaSalle Street?

Best regards,

Nancy (American Cancer Society volunteer)
